

Ready for a challenge?

Consultant (m/f), Cologne

Starting with immediate effect or upon agreement

We empower people and businesses. Day by day.

We are not just management consultants. Globeone is a fusion of ideas, expertise and experience. We apply our depth and diversity of knowledge to serve as our client's co-pilots and solve the unique challenges they share with us.

What we do works, because when you have the right people to solve a problem, you're GO.

Eager to make a change?

At Globeone, we work on the principle that our role as consultants is to think, inspire and enable, always while driving forward to a problem's practical solution. It is this belief that defines our interactions with our clients, colleagues and partners.

We offer you a challenging, highly client-facing role in which you will:

- Independently handle day-to-day client and external agencies relations as a main point of contact
- Manage research, analysis and recommendation development efficiently
- Develop spotless top-management presentations
- Strategically identify business opportunities with existing and new clients / accounts
- Contribute to Globeone's internal planning and development initiatives pro-actively (e.g. human capital management, internal engagement)
- Provide valuable guidance to team members and facilitate the development of junior colleagues

Able to take a challenge?

We are looking for ambitious candidates with an entrepreneurial spirit - ready to drive progress.

Your achievements in the previous steps of your career:

- Successful completion of Master's Degree in Business Administration, Economics, Marketing, or Communications
- At least 2 years of relevant work/ practical experience in Consulting and / or Marketing, Communication Business Development (B2B experience preferred)
- High proficiency with MS Office, especially PowerPoint and Excel
- Excellent command in English and German is mandatory
- Meaningful international experience through exchange semesters or work abroad

Your skills and personal traits at the basis of your strengths and ambitions

- Proven client handling and project steering competences
- Robust analytical skills, comfortable with quantitative problem solving
- Demonstrated leadership and creative problem-solving skills
- Deadline-driven, organized and detail oriented
- Proactive team player with a positive "can do" attitude
- Willingness to travel
